

# Rocket Kites

*This is the flavor text*

## How to make it...

1. Paint or color your rockets (you'll need 2)
2. Glue tissue paper or Mylar streamers to the BACK of one rocket
3. Glue the rockets together (plain sides in)
4. Punch a hole in the top of the rocket
5. Thread some string through the hole and tie
6. Attach the string to a stick or tube
7. Launch!
